Objectifs :

No matter what you do, your workplace could benefit from adapting to the challenges of the modern world.

Agile mindset is the key to keeping up with the change and staying innovative, and this training will provide you with all the necessary tools to facilitate it. And if you're thinking about setting up Agile processes in your team, getting into the right mindset is a crucial first step.

Goals of this training:

-

Discover the benefits of an agile mindset for your workplace.

-

Implement the agile values in your work practice.

This training receives government funding managed by the Agence Nationale de la Recherche (National Agency for Research) under the plan France 2030, with the reference ANR-21-EXES-0004.
