Objectifs :

In this course, we'll break down concepts that can be adapted to many work situations and office environments in order to help you stay on top of your work.

This training will examine concepts, tricks, and tools for staying organized and collaborating across teams.

We'll consider situations like how to handle a new person who joins a project or team, how to pass along information to developers, and how to prioritize multiple projects at once.

This training receives government funding managed by the Agence Nationale de la Recherche (National Agency for Research) under the plan France 2030, with the reference ANR-21-EXES-0004.
